BUY TOOLS

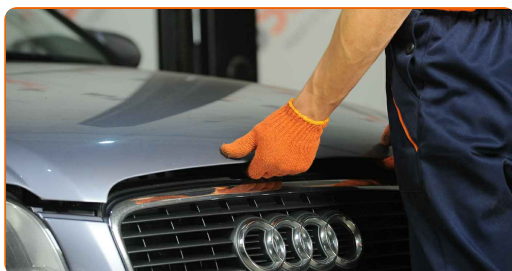

Replacement: fuel filter – Audi A4 B7 Avant. AUTODOC experts recommend:

- Ensure adequate ventilation of the workplace. Fuel vapors are poisonous.
- All work should be done with the engine stopped.

REPLACEMENT: FUEL FILTER – AUDI A4 B7 AVANT. RECOMMENDED SEQUENCE OF STEPS:

1

Open the bonnet.

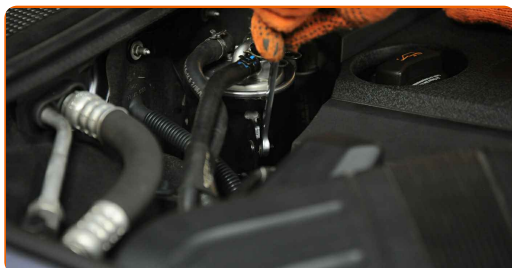

2

Use a fender protection cover to prevent damaging paintwork and plastic parts of the car.

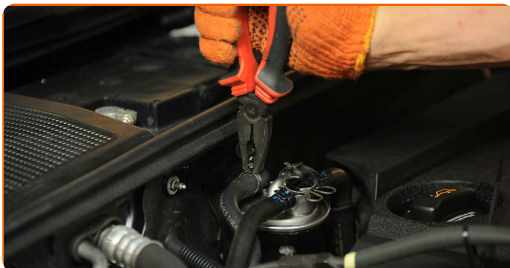

3

Loosen the fuel filter mounting. Use a combination spanner #10.

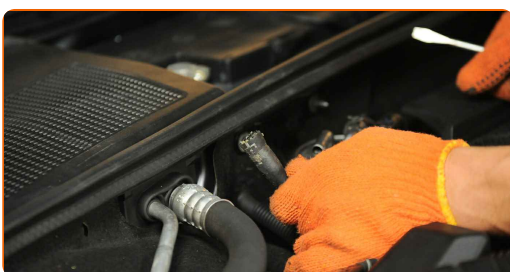

4 Prepare a container for fluids.

5 Loosen the fastening clamps of the fuel filter pipes. Use pliers.

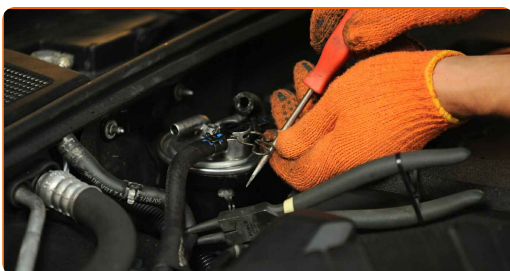

6 Detach the tubes from the fuel filter. Use a flat screwdriver.

Replacement: fuel filter – Audi A4 B7 Avant. AUTODOC recommends:

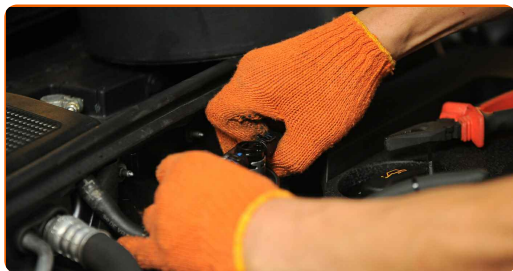

- Be careful! Fuel may leak from the filter housing and hoses.

7 Remove the spring clip that holds the fuel line in place. Use a flat screwdriver.

8

Disconnect the pipe from the fuel filter.

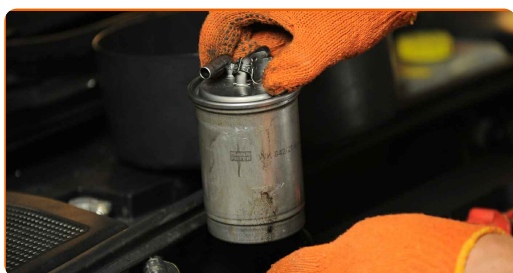

Replacement: fuel filter – Audi A4 B7 Avant. AUTODOC experts recommend:

- Be careful! Fuel may leak from the filter housing and hoses.

9

Remove the fuel filter. Put the old filter cartridge in the container.

10

Install a new fuel filter.

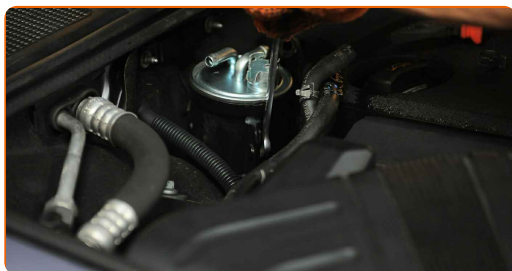

Replacement: fuel filter – Audi A4 B7 Avant. Professionals recommend:

- Make sure that the fuel filter is positioned correctly. Consider the fuel flow direction mark.
- During installation, take care to prevent dust and dirt from getting into the fuel filter housing.
- Take care to only use quality filters.

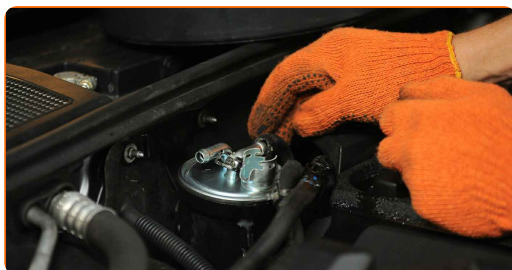

11

Screw in the fuel filter mounting bracket. Use a combination spanner #10.

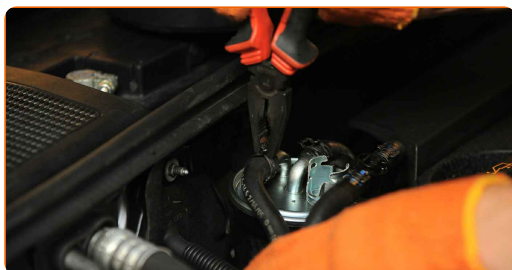

12

Attach the tubes to the fuel filter.

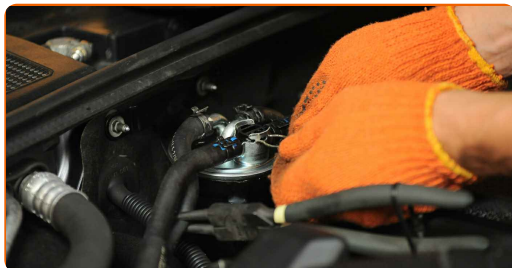

13

Tighten the fastening clamps of the fuel filter pipes. Use pliers.

14 Attach the pipe to the fuel filter.

15 Reinstall the spring clip that holds the fuel line in place.

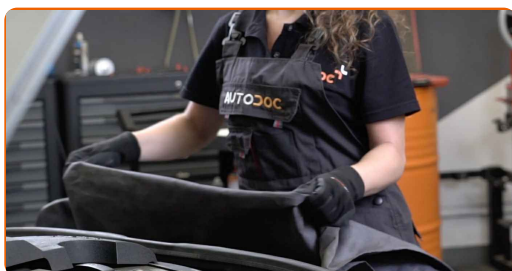

16 Take the fluid container away from under the fuel filter.

17 Run the engine for a few minutes. This is necessary in order to make sure that the component operates properly.

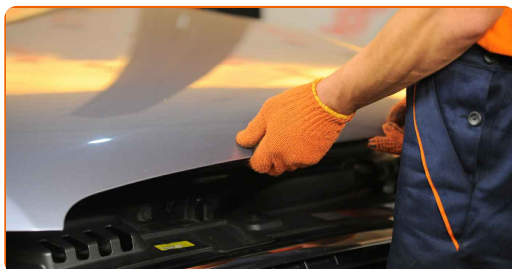

18 Shut off the engine.

19 Remove the fender protection cover.

20 Close the hood.

Replacement: fuel filter – Audi A4 B7 Avant. Tip from AUTODOC experts:

- To protect the environment from pollution, be sure to dispose of the used filters at special collection points.

WELL DONE!
