Replacement: auxiliary indicator - RENAULT 19 II Convertible. AUTODOC recommends:

- The procedure for replacing the right and left side indicators is identical.
- All the work should be carried out with the ignition switched off.

Replacement: auxiliary indicator - RENAULT 19 II Convertible. Recommended sequence of steps:

1  
Remove the side indicator light. Use a plastic trim removal tool.

2  
Detach the bulb holder from the side indicator light.

3  
Attach the bulb holder to a new side indicator light.
